RE: Massachusetts Public Records Law Request: decision to close ICE unit at South Bay

Dear Deeper Than Water:

This letter is a response to your Public Records Request, received on October 26, 2019, by the Suffolk County Sheriff's Department, Office of the General Counsel. Your request specifically seeks:

"Any email communication written between July 2019 and October 2019 regarding the closure of the ICE detention wing at South Bay House of Corrections, announced in October 2019."

Please be advised that pursuant to Public Records Access Regulations, 950 CMR 32.00 et seq., a public entity may charge a requesting party the following fees:

- (1) Photocopies (black and white) single or double sided, \$.05 per page; computer printouts (black and white), \$.05 per page, unless otherwise specified by statute; and for records not susceptible to ordinary means of reproduction, the actual cost to provide a copy.
- (2) Document search time (i.e., the time necessary to search for and copy responsive records) or segregation time (i.e., the time necessary to delete or redact protected information from records otherwise subject to disclosure); such fee to be determined at the pro-rated hourly rate of the lowest paid employee capable of performing the search,

but not more than \$25 per hour. Municipal RAOs may seek permission of the Supervisor of Records to charge a higher rate.

The preliminary fee for this request is the sum of three hundred and fifty dollars (\$350), calculated by the time estimate for the lowest paid person that is qualified to comply with the request: 14 hours at \$25 per hour, in addition to the initial 4 hours for a total of 18 hours. A fee has not been assessed on the first 4 hours of work required to comply with the request. If the final fee varies from the estimate at the conclusion of the request, you will be entitled to a refund; or, if it is less than the estimate, you may be assessed an additional amount if it exceeds the estimate. Please forward payment to my attention at the Suffolk County Sheriff's Department, Office of the General Counsel, 200 Nashua Street, Boston, MA 02114, made payable to the Suffolk County Sheriff's Department.

If you wish to challenge this response, you may appeal to the Supervisor of Public Records following the procedure set forth in 950 CMR 32.08(1), and you have the right to seek judicial review of any unfavorable decision by commencing a civil action in the superior court pursuant to G.L. c. 66, §10(A)(c).

Very truly yours,

Maria F. Romero, Esq.
